

Audionet at the Berlin IFA 2008

Audionet presents in Berlin at the IFA in the Hall of Fame of the Plus X Award the

With the high fidelity loft we demonstrate in collaboration with Audiodata, HMS and Finite Elemente what state of the art technology is capable to render: A musical experience full of emotions and vitality.

The treat for ears and eyes will be served by Andreja Schneider and Victor Schefé. Both familiar from many cinema, TV and theatre productions as well as renowned music- and indulgence experts.

What you can expect:

Audionet System: VIP G3 (universal-player), MAP V2 (multi- & stereo-preamplifier), MAX (mono-poweramplifier)

Loudspeaker: Audiodata Avancé, cable: HMS, furniture: Finite Elemente

When: 29.08-03.09 from 10 a.m. to 6 p.m.

Where: IFA, Exhibition Hall 7.1c, Messedamm 22, 14055 Berlin, Germany
